COMMUNITIES

*Where every ability thrives*

# The STORY

There's a place we're building—  
not just with walls and equipment,  
but with purpose.

A place where individuals of all abilities  
are not overlooked...  
but seen, valued, and given the  
opportunity to thrive.

At Shiloh Trading Co., we believe  
something simple but powerful:  
*Everyone has something to offer.*  
*Everyone deserves a place to belong.*

For many individuals with special needs,  
meaningful employment—and the dignity  
that comes with it—is hard to find.  
That's why we're building  
something different.

A "COFFEE" SHOP.  
A TRAINING GROUND.  
A COMMUNITY.

## A HIVE

## WHY THE HIVE?

**IN A HIVE, EVERY  
BEE HAS A ROLE.**

No role is too small.  
No contribution is insignificant.  
And together, something  
extraordinary is created.

Just like bees pollinate the very plants that give  
us coffee, this space will cultivate opportunity—  
turning potential into purpose, and  
effort into independence.

## Vision

**THE HIVE WILL BE  
A PLACE WHERE:**

- Individuals with disabilities gain real job skills
- Individuals with disabilities can sell items they make (this wasn't allowed with B&B)
- Confidence is built through meaningful work
- Community is formed—one cup, one conversation at a time

**IT'S ABOUT  
CHANGING  
WHAT  
OPPORTUNITY  
LOOKS LIKE.**

# WHY NOW?

Right now, too many individuals are waiting for a chance that may never come.

With your help, we can change that—not someday, but now.

We have the vision.  
We have our community.  
**Now we need to build the space.**
